April 09, 2026

Admission Notice

Dear YOUSSEF KHALLOUQI,

We are delighted to extend our heartfelt congratulations on your successful acceptance into the esteemed Harbin Institute of Technology, Shenzhen (HITSZ). Your acceptance signifies the commencement of a momentous and potentially life-altering educational experience. As a student at one of China's premier research universities, you will join a diverse and talented community of scholars from around the globe. We are committed to supporting your pursuit of academic excellence and personal growth, and we are confident that your success will be a testament to your dedication and ambition.

The details of your admission are as follows:
College:College of Artificial Intelligence
Major:Control Science and Engineering
Program Type: Ph.D. Program
Entrance Year: 2026 Fall
Medium of Instruction: English
HITSZ Entrance Scholarship Information: HITSZ Entrance Scholarship PhD Programs
100% tuition waiver + 50,000RMB/year

Please find below important notes regarding your admission and next steps:

- **Registration Date:** From **August 27th 2026 to August 28th 2026**. Failure to register without prior approval from us may result in the cancellation of your admission. Residence permit application will not be processed before registration.
- **Student Visa Application:** The required documentation includes the Admission Notice, Application Form for Visa for Foreign Students Studying in China (JW202 Form), an original Physical Examination Record for Foreigners, and any necessary blood test reports.
- **Accommodation:** Starting from this year, our university will no longer provide accommodation for doctoral students. Doctoral students are required to arrange their own housing.

We extend our warmest congratulations once again and eagerly anticipated your arrival at HITSZ!
